

Training Trainers

Testimonials:

"Finally, training I can use! Thank you, thank you, thank you!"

"I can't wait to get back and start working on my training programs."

"You were fabulous! This was a powerful program and I know I'll be back for more."

"I have never enjoyed a class so much. I learned so much about myself."

"Can I do it again? And I didn't want to attend in the first place. You've inspired me!"

"This course was way more practical than I expected."

"You guys are the best. I love the way you really practice what you preach!"

"Aesir Group came through again...the best class yet."

Evolve beyond Power Point and get out from behind the podium!

Keep trainees engaged, enthusiastic, and actively participating in your course. Incorporate new methodologies and new discoveries about the way we learn. Become a dynamic facilitator. Get the practical skills and competence you need to succeed using experiential learning!

Discover the latest and most effective training techniques

Training Trainers' leading-edge curriculum is essential to meet the changing expectations of trainees—and your company.

Benefits

- Powerful training programs for your organization
- Improved job satisfaction and self esteem
- Increased value as a true professional—equipped with the latest in the training field

You'll Learn

- Role of a facilitator in experiential learning
- Leading and designing effective training programs
- Techniques for debriefing and processing activities
- Strategies for creating productive training environments
- Selecting and sequence activities effectively
- How to handle problem learners and situations

This powerful three-day seminar puts the latest trends and techniques at your fingertips. Whatever your level of experience in teaching, instructing or facilitating, this workshop trains you to engage your audience and leaves your trainees praising you as a trainer.
